

TFI8030 Flatwork ironer

Features

- » Heat-resistant Nomex™ Tape
- » Teflon coated cylinder
- » Adjustable speed selection
- » Safety curtain
- » Speed Control

Technical features

Roller length	3000 mm
Roller diameter	800 mm
Heat transfer surfaces	680 dm²
Heating System	Electric or steam
Motor Power	1.5 kW
Heating Element	36 kW
Ironing capacity	70 kg/h
Steam consumption	180 kg/h
Width	4200 mm
Depth	1700 mm
Height	1450 mm
Weight	2360 kg
